2014–2015 Residential Sanitation Guidelines & Curbside Pickup Schedule

Items for collections should be placed at the curb between **6am – 8am on the day of collection.**

Regular Collection

Typical garbage should be placed in metal or plastic cans with lids and should not weigh more than 75 lbs. Loose items should be put in containers or tied, to prevent scattering or being blown by wind.

Bulk Pickup: Large (nonmetal) household items such as mattresses, furniture, etc., will be picked up at the curb on the second day of your garbage pickup. A maximum of 10 minutes will be spent at any one location to maintain the City-wide schedule. In the Automated Side Loader program areas, large items will be picked up by the City's Bureau of Sanitation with a prior appointment, call 422-1217. This helps avoid having an additional truck driving through the entire truck route unless it is needed.

Recycling: Place your recycling containers at the curb for pickup on your scheduled recycling day.

- Paper products, cardboard, and clean papers for recycling are picked up on Wednesdays, except during holiday weeks, as noted on the Sanitation Calendar.
- Commingled recycling/Blue Bin Recycling: clean bottles, cans and jars, and plastics numbered 1–7 are picked up on the second day of your scheduled garbage pickup.

Yard Waste and Other Garbage

E-Waste: NYS law prohibits “covered electronic equipment” from being disposed of as garbage. Violations can incur up to \$250 per incident. White Plains residents may dispose of electronic items, including monitors, hard drives, keyboards, etc., at the Gedney Recycling Yard, 87 Gedney Way. Open M - Sat, 8 a.m. - 4 p.m.

Mattress Disposal: To curb the spread of bedbugs, the Bureau of Sanitation requires all City residents to fully encase all mattresses or box springs within a sealed plastic bag when discarding them for curbside collection.

Yard Debris: Grass clippings, small brush, twigs, plants, and flowers are collected curbside, every other week as noted on the schedule as "Brush Week." Use BIODEGRADABLE paper bags or

Automated Side Loader (ASL) Collection

Automated Side Loader sanitation trucks have been introduced to certain neighborhoods throughout the City, and coverage is expanding each year. Although the garbage and recycling schedule is the same, there are some differences in the collection process:

- Residents receive two ASL containers:** One for household garbage and one for commingled recycling. These are light weight, heavy duty rolling carts with lids attached. Commingled recycling should not be put to the curb unless the cart is full. Loose trash outside of these containers is not picked up without an appointment.
- Bulk pick up must be scheduled ahead of time:** Call 422-1217 to schedule.
- Paper and cardboard items do not receive a special bin:** These items are still placed at the curb either in a paper bag, cardboard box or your old blue recycling bin on recycling Wednesdays.

Is your ASL cart too big or too small? **ASL Rolling carts come in three sizes.** Call 422-1217 if you think you need to make a change.

Way Recycling Yard in lots of ten, at a cost of \$5.00 per lot. (Checks only please.) Smaller, 30-gallon bags are available at supermarkets, and home & garden supply stores.

Unacceptable Items The City will NOT collect the following items: Brick, stone, concrete, plaster, tile, dirt, or similar construction or building debris. Car parts, tires, oils, compressed gas cylinders, hazardous or toxic materials, large tree limbs, stumps or logs, liquids of any kind (paints, oils), medical waste, pipes or poles, propane tanks, recycling mixed with garbage, renovation materials, fencing, treated wood, or any item designated by Westchester County as not collectable. Please make other arrangements with a private carting company for disposal.
